

Refreshingly Local and Here for Our Community

For 15 years, our small, all female law firm has been part of the heart of Heswall. We are proud to serve the wonderful people of our community - many of whom have trusted us time and time again with some of life's most important legal moments.

Why We are Different

We are not a large, faceless practice.

We are local women, working for local families, with a firm belief that community matters.

Many of our clients have grown with us—returning for help with buying and selling homes, planning for their future, navigating family transitions, or dealing with the estates of loved ones. Their trust means everything to us.

We offer a tailored and personal approach across a wide range of legal services, including:

- Residential Conveyancing

A Fresh Look – Online and In Person

We have been looking inward - and outward - to make sure we are offering the modern, client friendly experience our community deserves.

New Website Now Live

We have refreshed our online presence with a brand new website showcasing:

- What we do
- How we can help

A Revamped Office Space

Our office has also had a refresh, continuing to give our clients a warm, comfortable environment from the moment they step inside but now even better!

Contemporary. Bespoke. Client Focused.

Above all, we continue to adapt our services to meet the needs of new and returning clients. We remain committed to offering modern, high quality legal support with the same personal, community rooted service we have been known for since day one.
